Highness the Maharaja of Mysore,

S i r,

I have the honour to state that an annual grant of R. 985/- was being paid under due sanction from the District Board funds to the Tumkur Town Municipality for the past 20 years or even more -- with due provision in the budgets estimates each year towards the maintenance by the Tumkur Town Municipality of District Fund Roads lying within the Municipal limits, and it was being admitted to in audit. But the District Board while considering the Budget estimates of the District Board for the year 1924-25 at their meeting held on 31-5-24 resolved that the said contribution of R. 985/- which was being paid to the Tumkur Town Municipality for the maintenance of certain District Fund Roads running in the Municipal limits be stopped in as much as the responsibility for the repairs of such roads within the jurisdiction of a Municipality devolves on it and not on other bodies.

Subsequently on a further communication received in this connection from the President, Municipal Council, Tumkur, the District Board appointed at their meeting held on 19-7-25, a joint committee consisting of 3 representatives from the District Board, and 3 from the Municipal Council with the Executive Engineer as an additional member to consider the question in all its bearings and send a report for the information of the Board.

The joint committee met for the purpose on 2-12-25, and resolved unanimously that the question be settled on the basis of
